6 Ways towards Sustainable Procurement

In the past, procurement was primarily concerned with cost reduction, and pursued it with the blinkers on. But attitudes have changed, and procurement is now seen as one of the key weapons in the fight against climate change.

SPECIAL OFFER

Using Your Data to Create Strategic Advantage in Procurement

We all have heaps of data. We know we need to look at our data to create a strategic advantage.

But how are we all tracking on doing that? It's data day in the sun but there are tons of challenges.

Ben Shute explains in this video how to leverage data for strategic advantage.
